## ABOUT ME

I enjoy outdoor activities such as camping, orienteering, hiking and skiing. I love water sports like swimming and kayaking. I also do arts and crafts such as cross stitch, drawing and painting, and just making things. Finally I like to read.

## WHAT MAKES YOU A GREAT CARE PROVIDER?

I am very responsible and dependable. I believe showing up and always doing your best is the best way to provide care. I am also very flexible and believe in partnering with clients because they know best what service is right for them. I strive to empower clients with everything I do.

## WHAT DO YOU ENJOY ABOUT THIS WORK?

The birth of an infant is an exhilarating but also exhausting and chaotic time. Supporting families during these times is a real honor for me because it allows me to share in the miracle that each new life is.

## WHAT SETS YOU APART FROM OTHERS?

I strive to always provide the best care for my clients. I am intelligent and observant and that allows me to notice and promptly fulfill my clients' needs. I am well educated about birth and postpartum care and put my knowledge to good use while supporting my clients.
