ABOUT ME

I love to spend time with my husband and my puppy Remi. I am huge believer of family and friends. I have an amazing sister tribe that I love to hang out with. I love to cook, bake for my family and my friends. I like to feed people it truly brings me joy. I love to watch softball, my husband plays on two teams. and when I am not doing any of the above, I love to craft, paint and make masquerade ball masks.

WHAT MAKES YOU A GREAT CARE PROVIDER?

I love babies and kids, I am very patient. my willingness to help. I have been married for 18 years as of 2021. I have taken care of my nieces and my nephews to help them grow in young adults and adult. I have taken care of my father the last five years of his life. I take care of my mother who has the beginning Stages of Alzheimer's. I was a preschool teacher for children of the ages of 1 1/5 to 6 years of age.

WHAT DO YOU ENJOY ABOUT THIS WORK?

I enjoy helping people. I believe it takes a village to raise children and take care of families. To be a part of a support group, to have them behind you during good times and hard times it's so important, and to be part of that is amazing.

WHAT SETS YOU APART FROM OTHERS?

I am very adaptable and hardworking, I am kind and loving, I work great with children, I like to be a part of their world on their level. I find it helps to connect with them or relate to them by watching a cartoon or reading and I like crafting or making silly things. To put a smile on a child's face is my goal at the end of the day and if I can make that happen I hope I can make a parent smile.
