ABOUT ME

I live in Longmont, CO with my husband and two wonderful boys. I enjoy baking (especially GF DF recipes) hiking, singing, playing with my boys, trying out new vegan and vegetarian restaurants, watching documentaries, bike riding and traveling all over the world. My favorite of all the places I have been to include New Zealand, Slovenia, Thailand and South Africa.

WHAT MAKES YOU A GREAT CARE PROVIDER?

I believe I am empathetic, nurturing, observant and enthusiastic. I have had two children of my own and know many of the hardships and joys that come along with parenting. I am passionate about maternal care and evidence based support. I love to connect with new families, support mothers and create a feeling of safety, confidence and care in every aspect of my job.

WHAT DO YOU ENJOY ABOUT THIS WORK?

I enjoy spending time listening to, and caring for, new mothers and helping them transition to this new way of life. I love seeing parents learn to trust themselves, listen to their child's cues and eventually flourish as new parents.

WHAT SETS YOU APART FROM OTHERS?

I think that I bring a sense of calm and considerate care to each of my clients. I have enthusiasm and energy and a desire to help new parents thrive!
