ABOUT ME

I love hiking, reading, taking long baths and cuddling with my dog.

WHAT MAKES YOU A GREAT CARE PROVIDER?

I am highly attuned to my clients due to the fact that I am a good listener. Empathic and embodied are qualities that help me provide a high quality of care.

WHAT DO YOU ENJOY ABOUT THIS WORK?

I love supporting new parents. Birth is a mysterious and beautiful portal and new families deserve advocacy and assistance tailored to their specific needs.

WHAT SETS YOU APART FROM OTHERS?

I am a life longer learner who is always trying to deepen my craft. I am patient and my midwestern roots make me reliable and steadfast as a doula.
